IVY HOUSE

Annual Report

July 2024-June 2025

A MESSAGE FROM OUR BOARD CHAIR

The Ivy House Board of Directors continues to work towards our strategic goals of pursuing a license that fits us perfectly. We have worked with local and state officials to assist with this need that is a huge dream of ours. It would be amazing if one day our model of care, in a home, filling care requests from one hour or up to 72 hours, could be provided under one license from our state and not two as we currently need in order to operate in this unique way! We also continue to ponder what the next Ivy House will be...our current home is filled to capacity most days and extra space for these kids seems like exactly what we need to provide even better care for these kiddos. Thank you for dreaming with us, praying for us, and supporting this unique ministry here in southern Minnesota- leaving a big imprint on hundreds of children and families from near and far.
Looking forward to all that is to come!

-Anna Friese, Board Chair
